RULE 1. Convening Hour, Limitation on Friday, Night, and Sunday Legislative Sessions. -- The House shall convene each legislative day at the hour fixed by the House. In the event the House adjourns on the preceding legislative day without having fixed an hour for reconvening, the House shall convene on the next legislative day at 1:30 p.m. During January and February of 1995, no sessions may be held on Friday. No session shall continue after 10:00 p.m. on Monday nor after 9:00 p.m. on any other days, and the Speaker shall adjourn the House without motion at that point, except that a motion may be made as to the time and day of next convening. No session shall be held on Sunday.

RULE 2. Opening the Session. -- At the convening hour on each legislative day, the Speaker shall call the members to order and shall have the session opened with prayer. At the convening hour on the first day of each legislative week the Speaker, or his designee, shall lead the members in the Pledge of Allegiance to the American Flag.

RULE 3. Quorum. -- (a) A quorum consists of a majority of the qualified members of the House.

(b) Should the point of a quorum be raised, the doors shall be closed and the Clerk shall call the roll of the House, after which the names of those not responding shall again be called. In the absence of a quorum, fifteen members are authorized to compel the attendance of absent members and may order that absentees for whom no sufficient excuses are made be taken into custody wherever they may be found by special messenger appointed for that purpose.

RULE 4. Approval of Journal. -- (a) The Standing Committee on Rules, Calendar, and Operations of the House shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

(b) Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House or by a Representative designated by the Chair as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.

RULE 5. Order of Business of the Day. -- After the approval of the Journal of the preceding day, the House shall proceed to business in the following order:

II. Conduct of Debate

RULE 6. Duties and Powers of the Speaker. -- The Speaker shall have general direction of the Hall. The Speaker may name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House.

RULE 7. Obtaining Floor. -- (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

(b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.

(c) A member who has obtained the floor may be interrupted only for the following reasons:

1. A request that the member speaking yield for a question,
2. A point of order,
3. A parliamentary inquiry, or
4. A question of privilege.

RULE 8. Questions of Privilege. -- Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be those affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence of all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

RULE 9. Points of Order. -- (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the Chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A two-thirds (2/3) vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

(b) When the Speaker calls a member to order, the member shall be seated except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the Chair and the decision by a two-thirds (2/3) vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House, requires it, the member shall be liable to censure by the House.

RULE 10. Limitations on Debate. -- (a) No member shall speak on, debate, or solicit cosponsors for, a bill or resolution at its first reading.

(b) No member shall speak more than twice on the main question, nor longer than 20 minutes for the first speech and 10 minutes for the second speech; nor shall the member speak more than twice upon an amendment or motion to reconsider, commit, appeal, or postpone, and then not longer than 10 minutes for the first speech and five minutes for the second speech.

(c) A member may speak only once and for not more than 20 minutes on the question of the adoption of a minority report.

(d) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) and (c) of this rule during any debate on any particular question before the House.

RULE 11. Reading of Papers. -- When there is a call for the reading of the text of a paper which has been presented to the House, and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. General Decorum. -- (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of, or cross the House, nor when a member is speaking, engage in disruptive discourse or pass between the member and the Chair.

(d) Food or beverages shall not be permitted on the floor of the House during the first two hours of the daily session.

(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.

(f) Smoking or the consumption of food or beverages shall not be permitted in the galleries at any time.

(g) Special recitals, performances by musicians or other groups shall not be permitted on the floor of the House; and special guests of members of the House shall not be permitted on the floor of the House.

(h) Members shall observe appropriate attire, coat and tie for male members and dignified dress for female members.

(i) The use of cellular telephones shall not be permitted in the House Chamber.

III. Motions

RULE 13. Motions Generally. -- (a) Every motion shall be reduced to writing, if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the Chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. Motions, Order of Precedence. -- When there are motions before the House, the order of precedence is as follows:

To adjourn

To lay on the table

Previous question

To postpone indefinitely

To reconsider

To postpone to a day certain

To re-refer
To amend an amendment
To amend
To substitute
To pass the bill

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn. -- (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate, and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. Motion to Table. -- (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18, or to remove from the table approved by a two-thirds (2/3) vote.

RULE 17. Motion to Postpone Indefinitely. -- A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18, or to place on the favorable calendar approved by a two-thirds (2/3) vote.

RULE 18. Motion to Reconsider. -- (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof, on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds (2/3) vote: a second or subsequent motion to reconsider, and a motion to reconsider:

- (1) A vote upon a motion to table,
- (2) A motion to postpone indefinitely,
- (3) A motion to remove a bill from the unfavorable calendar,
- (4) A motion that a bill be read twice on the same day, or
- (5) A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended.

RULE 19. Previous Question. -- (a) The previous question may be called only by:

- (1) The chair of the Committee on Rules, Calendar, and Operation of the House;
- (2) The majority leader;
- (3) The member submitting the report on the bill or other matter under consideration, by the member introducing the bill or other matter under consideration; or
- (4) The member in charge of the measure, who shall be designated by the Chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the "main question" is on the passage of the bill, resolution, or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn or motion to table.

(d) If the previous question is decided in the negative, the main question remains under debate.

IV. Voting

RULE 20. Use of Electronic Voting System. -- (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

- (1) The passage as required by Article II, Section 23 of the Constitution of North Carolina, on second and third readings of any bill:

- α. Raising money on the credit of the State,
 - b. Pledging the faith of the State for the payment of a debt,
 - c. Imposing a State tax, or
 - d. Authorizing a county, municipality, or other local governmental unit to
 - 1. Raise money on its credit,
 - 2. Pledge its faith for the payment of a debt, or
 - 3. Impose a local tax.
- (2) All measures affecting a fee imposed by the State or any subdivision thereof.
 - (3) All questions on which a call for the ayes and noes under Rule 24(α) and Article II, Section 19 of the Constitution of North Carolina has been sustained.
 - (4) Both second and third readings of bills proposing amendment of the Constitution of North Carolina or ratifying resolutions amending the Constitution of the United States.

(b) Votes on the following questions shall be taken on the electronic voting system:

- (1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.
- (2) Upon a call for division.
- (3) Any other question upon direction of the Speaker or upon motion of any member supported

by one-fifth (1/5) of the members present.

(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.

(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station, or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic system shall be filed in the office of the Principal Clerk, and one copy shall be filed in the Legislative Library where it shall be open to public inspection.

A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic system, the Speaker shall announce that fact to the House and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. All other votes shall be taken by voice vote. If, after a vote is taken on the electronic system, it is discovered that a malfunction caused an error in the electronic system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic system, the motions are coded as follows:

1. To adjourn
2. To lay on the table
3. Previous question
4. To postpone indefinitely
5. To reconsider
6. To postpone to a day certain
7. To re-refer
8. To amend an amendment
9. To amend
10. To substitute
11. To concur or not concur
12. Miscellaneous

RULE 21. Voice Votes; Stating Questions. -- (a) When the electronic voting system is not used, the Speaker shall rise and put a question.

(b) The question shall be put in this form, namely, "Those in favor (as the question may be) will say 'Aye'", and after the affirmative voice has been expressed, "Those opposed will say 'No'".

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. -- (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. -- Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. -- (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. -- (a) Any member shall upon request be excused from the deliberations and voting on a particular bill, but to do so must make that request after the second reading of the bill and before any motion or vote on the bill or any amendment thereto. If the reason for the request arises at some point later in the proceedings, the request may be made at that time.

(b) The member may make a brief oral statement of the reasons for making that request. The member may send forward to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. Division of Amendments. -- Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

If any bill is eligible for introduction on account of the date only under this subsection, and the bill is amended so that qualifying appropriation or tax law change does not remain in the bill, it shall not be eligible for further consideration. For the purpose of this section, a "tax law change" includes any provision that would require a bill under Rule 38(b) to be referred to the Standing Committee on Finance.

standing committee Chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee Chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee Chair reports the bill directly pursuant to Rule 36.

(c) When a committee substitute is adopted by a permanent subcommittee or a standing committee for a bill which was introduced with no substantive provisions and the committee substitute deletes a majority of the provisions of the original bill and adds provisions that are not germane to the original bill, no further action may be taken by any standing committee or permanent subcommittee upon such bill until the second legislative day thereafter.

With the written approval of the Chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(4) through (6), the Chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the Chair of the standing committee fails to give approval, the bill shall be deemed to have

been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(a) **Favorable Report.** When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day (no earlier than the next legislative day) designated by the Chair of the Committee on Rules, Calendar, and Operations of the House, except that in the absence of the Chair of the Committee on Rules, Calendar, and Operations of the House, the Speaker may take such action, and except that bills on the Public Consent Calendar shall be placed on the favorable calendar as provided by Rule 40. The standing committee's or permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the

sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, the Chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system,

unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

(c) **Action on Amendment Before Re-Referral.** If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House must be referred to the Standing Committees on Appropriations or Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.

No petition may be circulated for signatures until 10

legislative days after the bill has been referred to the committee. No petition may be circulated for signature until notice has been given on the floor of the House that the petition is to be circulated. If such a motion accompanied by a valid petition is filed, the Principal Clerk shall place that motion on the calendar for the next legislative day as a special order of business. If the motion is adopted by the House, then the committee to which the bill or resolution has been referred to is discharged from further consideration of the bill or resolution, and that bill or resolution is placed on the calendar for the next legislative day as a special order of business. If the committee had prior to discharge adopted any amendment or committee substitute for the bill, it shall be in order to offer that amendment or substitute on the floor as if it were a committee amendment or substitute. The Principal Clerk shall provide a form for discharge petitions.

(c) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the Chair of the standing committee, and to sustain that motion two-thirds (2/3) of the members present and voting shall be required.

RULE 39.1. Recall of Bill From Permanent Subcommittee. -- When a House bill has been referred to a permanent subcommittee, if after 10 legislative days the subcommittee has failed to act thereon or, at any time, with the agreement of the subcommittee chair, the standing committee Chair may re-refer the bill from that permanent subcommittee to another permanent subcommittee of the same standing committee provided the report of the re-referral shall be made pursuant to Rule 32.

-- (a) The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)) in the order they were placed on the Calendar under Rule 36(a).

(b) When a public bill has received a recommendation for a favorable report, favorable report as amended, or favorable as to committee substitute, and the vote in the committee was unanimous of the members present and voting, the Chair of the Committee (or the Chair of the subcommittee if the bill is being reported directly to the floor) may designate in the committee report that the bill is to go on the consent calendar. The bill shall appear on the consent calendar for the second legislative day after the report is made. The Principal Clerk shall note on the calendar for the next legislative day the bills, including short titles, that will appear on the consent calendar for the following legislative day. A bill shall be

removed from the consent calendar if any member of the House makes such request in writing to the Principal Clerk no later than one hour before convening of the House on the day the bill appears on the consent calendar, and in such case the bill shall be placed on the regular calendar for that day. It shall not be in order to offer any amendment to a bill on the consent calendar except committee amendments. The Speaker may recognize the sponsor of the bill for not to exceed two minutes of debate (or a person designated by the Chair of the committee reporting the bill in the case of a Senate bill). The Speaker shall then put the question on the bill. The bill shall appear on the consent calendar for third reading unless a member requests, no later than the adjournment of the daily session when the bill passed second reading, that the bill appear on the regular calendar.

RULE 41. Reading of Bills. -- (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The Speaker shall give notice at each subsequent reading whether it be the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds (2/3) of the members present and voting; provided, no bill governed by Article II, Section 23 of the North Carolina Constitution or described in Rule 20 (a)(2) herein shall be read twice on one day under any circumstance.

3. Failed to pass on any of its readings, or
4. Been placed on the unfavorable calendar,

the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the Chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds (2/3) vote of the members present and voting.

A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c).

If the Senate adopts an amendment or committee substitute to a House bill, the House may not refuse to receive the bill on account of lack of germaneness if the Senate has a similar rule.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent

or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

RULE 43.1. Engrossment. -- Bills and resolutions, except those making appropriations, which originate in the House and which are amended, shall be engrossed before being sent to the Senate.

RULE 43.2. House Concurrence in Senate Amendments to House Bills. -- The House shall not concur in a Senate amendment to a bill originating in the House until the next legislative day after the day on which the House receives the Senate amendment.

(b) The Speaker may, and upon motion supported by a majority of the House present and voting shall, refer the bill to an appropriate standing committee for consideration of the committee substitute.

(c) The Speaker shall, in placing the bill on the calendar, rule whether the committee substitute is a material amendment under Article II, Section 23 of the State's Constitution which reads:

"Revenue bills. -- No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each House of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each House respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

If the committee substitute was referred to standing committee, the standing committee shall:

1. Report the bill with the recommendation either that the House concur or that the House do not concur; and
2. Advise the Speaker as to whether or not that committee substitute is a material amendment under Article II, Section 23 of the State's Constitution.

(d) If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.

(e) If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading and the question before the House shall be concurrence on

second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(f) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

RULE 44. Conference Standing Committees. --

(a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker's own motion or shall be appointed upon request by the principal sponsor of the original bill, the Chair of the House standing committee which reported the bill, or by the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.

(b) Only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. The conference report may be made by a majority of the House members of such conference committee and shall not be amended.

(c) If the conferees fail to agree, new conferees may be appointed. However, if either house refuses to adopt the report of its conferees, the Speaker may appoint new conferees.

§ 120-92. Filing by candidates not nominated in primary elections.

A person who is nominated pursuant to the provisions of G.S. 163-114 after the primary and before the general election, and a person who qualifies pursuant to the provisions of G.S. 163-122 as an independent candidate in a general election shall file with the county board of elections of each county in the senatorial or representative district a statement of economic interest. A person nominated pursuant to G.S. 163-114 shall file the statement within three days following his nomination, or not later than the day preceding the general election, whichever occurs first. A person seeking to qualify as an independent candidate under G.S. 163-122 shall file the statement of economic interest with the petition filed pursuant to that section. (1975, c. 564, s. 1; 1987 (Reg. Sess., 1988), c. 1028, s. 3.)

§ 120-93. County boards of elections to notify candidates of economic-interest-statement requirements.

Each county board of elections shall provide for notification of the economic-interest-statement requirements of G.S. 120-89, 120-96, and 120-98 to be given to any candidate filing for nomination or election to the General Assembly at the time of his or her filing in the particular county. (1975, c. 564, s. 1; 1987 (Reg. Sess., 1988), c. 1081, s. 4.)

§ 120-93.1. Certification of statements of economic interest.

The chairman of the county board of elections with which a statement of economic interest is filed shall forward a certified copy of the statement to the Legislative Services Office once the candidate is certified as elected to the General Assembly. The chairman shall also forward a

certified copy of each candidate's statement of economic interest, within 10 days after its filing, to the board of elections in each other county in the district the candidate seeks to represent. (1989 (Reg. Sess., 1990), c. 890.)

§ 120-94. Statements of economic interest are public records.

The statements of economic interest are public records and shall be made available for inspection and copying by any person during normal business hours at the office of the various county boards of election where the statements or copies thereof are filed and at the Legislative Library after certified copies are forwarded to the Legislative Services Office. If a county board of elections of a county does not keep an office open during normal business hours each day, that board shall deliver a copy of all statements of economic interest filed with it to the clerk of superior court of the county, and the statements shall be available for inspection and copying by any person during normal business hours at that clerk's office. (1975, c. 564, s. 1; 1989 (Reg. Sess., 1990), c. 890.)

§ 120-95: Repealed by 1987 (Reg. Sess., 1988), c. 1028, s. 3.

§ 120-96. Contents of statement.

Any statement of economic interest filed under this Article shall be on a form prescribed by the Committee, and the person filing the statement shall supply the following information:

- (1) The identity, by name, of any business with which he, or any member of his immediate household, is associated;
- (2) The character and location of all real estate of a fair market value in excess of five thousand dollars (\$5,000), other than his personal residence (curtilage),

in the State in which he, or a member of his immediate household, has any beneficial interest, including an option to buy and a lease for 10 years or over;

- (3) The type of each creditor to whom he, or a member of his immediate household, owes money, except indebtedness secured by lien upon his personal residence only, in excess of five thousand dollars (\$5,000);
- (4) The name of each "vested trust" in which he or a member of his immediate household has a financial interest in excess of five thousand dollars (\$5,000) and the nature of such interest;
- (5) The name and nature of his and his immediate household member's respective business or profession or employer and the types of customers and types of clientele served;
- (6) A list of businesses with which he is associated that do business with the State, and a brief description of the nature of such business; and
- (7) In the case of professional persons and associations, a list of classifications of business clients which classes were charged or paid two thousand five hundred dollars (\$2,500) or more during the previous calendar year for professional services rendered by him, his firm or partnership. This list need not include the name of the client but shall list the type of the business of each such client or class of client, and brief description of the nature of the services rendered. (1975, c. 564, s. 1; 1989 (Reg. Sess., 1990), c. 890.)

§ 120-97: Repealed by 1987 (Reg. Sess., 1988), c. 1028, s. 3.

§ 120-98. Penalty for failure to file.

(a) If a candidate does not file the statement of economic interest within the time required by this Article, the county board of elections shall immediately notify the candidate by registered mail, restricted delivery to addressee only, that, if the statement is not received within 15 days, the candidate shall not be certified as the nominee of his party. If the statement is not received within 15 days of notification, the board of elections authorized to certify a candidate as nominee to the office shall not certify the candidate as nominee under any circumstances, regardless of the number of candidates for the nomination and regardless of the number of votes the candidate receives in the primary. A vacancy thus created on a party's ticket shall be considered a vacancy for the purposes of G.S. 163-114, and shall be filled according to the procedures set out in G.S. 163-114.

(b) Repealed by Session Laws 1987 (Reg. Sess., 1988), c. 1028, s. 5. (1975, c. 564, s. 1; 1987 (Reg. Sess., 1988), c. 1028, ss. 4, 5.)

PART 3. Legislative Ethics Committee.

§ 120-99. Creation; composition.

The Legislative Ethics Committee is created to consist of a chairman and eight members, four Senators appointed by the President Pro Tempore of the Senate, two from a list of four submitted by the Majority Leader and two from a list of four submitted by the Minority Leader, and four members of the House of Representatives appointed by the Speaker of the House, two from a list of four submitted by the Majority Leader and two from a list of four submitted by the Minority Leader.

The President Pro Tempore of the Senate shall designate a member of the General Assembly as chairman of the Committee in odd-numbered years, and the Speaker of the House shall designate a member of the General Assembly as chairman of the Committee in even-numbered years. The chairman will vote only in the event of a tie vote.

The provisions of G.S. 120-19.1 through G.S. 120-19.8 shall apply to the proceedings of the Legislative Ethics Committee as if it were a joint committee of the General Assembly, except that the chairman shall sign all subpoenas on behalf of the Committee. (1975, c. 564, s. 1; 1985, c. 790, s. 6; 1991, c. 739, s. 15.)

§ 120-100. Term of office; vacancies.

Initial members of the Legislative Ethics Committee shall be appointed as soon as practicable after the ratification of this Article and shall serve until the expiration of their current terms as members of the General Assembly. Thereafter, appointments shall be made immediately after the convening of the regular session of the General Assembly in odd-numbered years, and appointees shall serve until the expiration of their then-current terms as members of the General Assembly. The chairman shall serve for one year and shall be appointed each year. A vacancy occurring for any reason during a term shall be filled for the unexpired term by the authority making the appointment which caused the vacancy, and the person appointed to fill the vacancy shall, if possible, be a member of the same political party as the member who caused the vacancy. (1975, c. 564, s. 1.)

§ 120-101. Quorum; expenses of members.

Five members constitute a quorum of the Committee. A vacancy on the Committee does

not impair the right of the remaining members to exercise all the powers of the Committee.

The chairman and members of the Committee, while serving on the business of the Committee, are performing legislative duties and are entitled to the subsistence and travel allowances to which members of the General Assembly are entitled when performing legislative duties. (1975, c. 564, s. 1.)

§ 120-102. Powers and duties of Committee.

In addition to the other powers and duties specified in this Article, the Committee has the following powers and duties:

- (1) To prescribe forms for the statements of economic interest and other reports required by this Article, and to furnish these forms to persons who are required to file statements or reports.
- (2) To receive and file any information voluntarily supplied that exceeds the requirements of this Article.
- (3) To organize in a reasonable manner statements and reports filed with it and to make these statements and reports available for public inspection and copying during regular office hours. Copying facilities shall be made available at a charge not to exceed actual cost.
- (4) To preserve statements and reports filed with the Committee for a period of 10 years from the date of receipt. At the end of the 10-year period, these documents shall be destroyed.
- (5) To prepare a list of ethical principles and guidelines to be used by each legislator in determining his role in supporting or opposing specific types of legislation, and to advise each General Assembly committee of specific danger areas where conflict of interest may exist and to suggest rules of

conduct that should be adhered to by committee members in order to avoid conflict.

- (6) To advise General Assembly members or render written opinions if so requested by the member about questions of ethics or possible points of conflict and suggested standards of conduct of members upon ethical points raised.
- (7) To propose rules of legislative ethics and conduct. The rules, when adopted by the House of Representatives and the Senate, shall be the standards adopted for that term.
- (8) Upon receipt of information that a legislator owes money to the State and is delinquent in making repayment of such obligation, to investigate and dispose of the matter according to the terms of this Article. (1975, c. 564, s. 1; 1979, c. 864, s. 3; 1991, c. 700, s. 1.)

§ 120-103. Possible violations; procedures; disposition.

(a) Institution of Proceedings. — On its own motion, or in response to signed and sworn complaint of any individual filed with the Committee, the Committee shall inquire into any alleged violation:

- (1) Of any provision of this Article, or of the rules adopted in accordance with G.S. 120-102(7); or
- (2) Of the criminal law by a legislator while acting in his official capacity as a participant in the lawmaking process.

(a1) Complaint. —

- (1) A complaint filed under this Article shall state the nature of the violation, the date the alleged violation occurred, and either (i) that the contents of the complaint are

within the knowledge of the individual verifying the complaint or (ii) the basis upon which the individual verifying the complaint believes the allegations to be true.

- (2) Any individual who verifies a complaint knowing the allegations in the complaint to be untrue may be prosecuted for perjury under G.S. 14-209.

(b) Notice and Hearing. — If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against him and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings. The Committee may, in its discretion, hold hearings in closed session; however, the individual whose conduct is under inquiry may, by written demand filed with the Committee, require that all hearings before the Committee concerning him be public or in closed session.

(c) Subpoenas. — The Committee may issue subpoenas to compel the attendance of witnesses or the production of documents, books or other records. The Committee may apply to the superior court to compel obedience to the subpoenas of the Committee. Notwithstanding any other provision of law, every State agency, local governmental agency, and units and subdivisions thereof shall make available to the Committee any documents, records, data, statements or other information, except tax returns or information relating thereto, which the Committee designates as being necessary for the exercise of its powers and duties.

(d) Repealed by Session Laws 1991, c. 700, s. 2.

(d1) Disposition of Cases. —

(1) After the Committee has concluded its inquiries into the alleged violations, the Committee shall:

- a. Dismiss the complaint.
- b. Issue a public or private admonishment to the legislator, or
- c. Refer the matter:

1. To the Attorney General for possible prosecution through appropriate channels or the appropriate house for appropriate action, or both, if the Committee finds substantial evidence of a violation of a criminal statute; or

2. To the appropriate house for appropriate action, which shall include censure and expulsion, if the Committee finds substantial evidence of unethical activities.

(2) If the Committee issues an admonishment as provided in subdivision (1)b. above, the legislator so affected may upon written request to the Committee have the matter referred as provided under subdivision (1)c.2. above.

(3) In the case of a dismissal or private admonishment, the Committee shall retain its records or findings in confidence, unless the individual under inquiry requests in writing that the records and findings be made public. If the Committee later finds that a legislator's subsequent unethical activities were similar to and the subject of an earlier private admonishment then the Committee may make public the earlier admonishment and the records and findings related to it.

(4) Any action by the Committee under this Article does not limit the right of each house of the General Assembly to discipline or to

expel its members. (1975, c. 564, s. 1; 1987, c. 439; 1991, c. 700, s. 2.)

§ 120-104. Advisory opinions.

At the request of any member of the General Assembly, the Committee shall render advisory opinions on specific questions involving legislative ethics. These advisory opinions, edited as necessary to protect the identity of the legislator requesting the opinion, shall be published periodically by the Committee. (1975, c. 564, s. 1.)

§ 120-105. Continuing study of ethical questions.

The Committee shall conduct continuing studies of questions of legislative ethics including revisions and improvements of this Article as well as sections to cover the administrative branch of government and shall report to the General Assembly from time to time recommendations for amendments to the statutes and legislative rules which the Committee deems desirable in promoting, maintaining and effectuating high standards of ethics in the legislative branch of State government. (1975, c. 564, s. 1.)

§ 120-106. Article applicable to presiding officers.

The provisions of this Article shall apply to the presiding officers of the General Assembly. (1975, c. 564, s. 2.)

§ 120-107 to 120-111. Reserved for future codification purposes.

ARTICLE 14A.

Committees on Pensions and Retirement.

§ 120-111.2. Duties.

With respect to public officers and public employees to whom State-administered retirement benefit or pension plans are applicable, the

Senate and House Committees on Pensions and Retirement shall:

- (1) Study the benefits, including those available under Social Security and any other federal programs available to the public officers and employees.
- (2) Consider all aspects of retirement and pension financing, planning and operation, including the financing of accrued liabilities of each retirement or pension fund, health program, and other fringe benefits.
- (3) Request the Governor, the State Treasurer, the State Auditor and any other agency or department head which has information relevant to these committees' study to prepare any reports deemed necessary by the committee.
- (4) Recommend legislation which will insure and maintain sound retirement and pension policy for all funds.
- (5) Analyze each item of proposed pension and retirement legislation in accordance with Article 15 of Chapter 120 of the General Statutes.
- (6) Study, analyze, and report on related subjects directed to be studied by joint resolution, resolution of either house of the General Assembly, or by direction of the Speaker of the House or President of the Senate. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 3; 1987, c. 1091, s. 4; 1989, c. 261, s. 2.)

§ 120-111.3. Analysis of legislation.

Every bill, which creates or modifies any provision for the retirement of public officers or public employees or for the payment of retirement benefits or of pensions to public officers or public employees, shall, upon introduction in either house of the General Assembly, be referred to the

Committee on Pensions and Retirement of each house. When the bill is reported out of committee it shall be accompanied by a written report by the Committee on Pensions and Retirement containing, among other matters which the Committee deems relevant, the actuarial note required by Article 15 of Chapter 120 of the General Statutes, and pursuant to the Rules of the General Assembly, and an evaluation of the proposed legislation's actuarial soundness and adherence to sound retirement and pension policy. Any bill referred to the Committee on Pensions and Retirement cannot be further considered by that house until such bill has received a favorable report, a report without prejudice, or has been recalled from that committee.

Whenever a bill is considered by the Committee on Pensions and Retirement that proposes changes in the benefits of any State-administered retirement or pension plan to be financed by unencumbered actuarial experience gains generated either through a change in actuarial assumptions adopted by the plan for the previous budget year or through a continuation of the actuarial assumptions adopted by the plan for the previous budget year, the Committee shall give equal consideration to the effects that such unencumbered actuarial gains would have upon annual employer or State contributions to the plan and to the amount by which the plan's unfunded accrued liabilities, if any, might be reduced. If such unencumbered actuarial experience gains could be used to modify annual employer or State contributions to the plan resulting in a corresponding effect upon State appropriations, the committee on Pensions and Retirement shall, upon a favorable report, refer the bill to the Committee on Appropriations of the same house before the bill is considered by that house. (1979,

2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 4; 1985, c. 187; c. 400, s. 10; 1987 (Reg. Sess., 1988), c. 1110, s. 11.1.)

§ 120-111.4. Staff and actuarial assistance.

Upon application of the chairman of the Senate or House Committee on Pensions and Retirement, the Legislative Services Commission shall provide staff, including actuarial assistance, to aid the committee in its work. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 5.)

ARTICLE 1.

Executive Budget Act

§ 143-15. Reduction and increase of items by General Assembly.

The provisions of this Article shall continue to be the legislative policy with reference to the making of appropriations and shall be treated as rules of both branches of the General Assembly until and unless the same may be changed by the General Assembly either by express enactment or by rules adopted by either branch of the General Assembly.

The General Assembly may reduce or strike out such item in the Current Operations Appropriations Bill and the Capital Improvement Appropriations Bill as it may deem to be the interest of the public service, but neither House shall consider further or special appropriations until the Current Operations Appropriations Bill shall have been enacted in whole or part or rejected, unless the Governor shall submit and recommend an emergency appropriation bill or emergency appropriation bills, which may be amended in the manner set out herein, and such emergency appropriation bill, or bills, when enacted, shall continue in force only until the Current Operations Appropriations Bill and the Capital Improvement Appropriations Bill shall become effective, unless otherwise provided by the General Assembly. Provided that the Capital Improvement Appropriations Bill may be considered before the Current Operations Appropriations Bill has been adopted in whole or part or rejected.

The General Assembly may also increase any appropriation set out in the Current Operations Appropriations Bill and the Capital Improvement Appropriations Bill and may provide additional appropriations for other purposes if additional revenue or revenues, equal to the amount of such

additional appropriations and increases, are provided for by corresponding amendment to the Budget Revenue Bill. No bill carrying an appropriation shall thereafter be enacted by the General Assembly, unless it be for an object or objects therein described and shall provide an adequate source of revenue for defraying such appropriation, or unless it appears from the budget report or the Budget Revenue Bill that there is sufficient revenue available therefor. The appropriation, or appropriations, in such bills shall be in accordance with the classification used in the budget.

Reports to or of the appropriations committees or their subcommittees indicate action by the general Assembly when they are used in preparation of or amendment to appropriations acts. (1925, c. 89, s. 16; 1929, c. 100, s. 17; 1983 (Reg. Sess., 1984), c. 1034, ss. 159-161; 1987, c. 876, s. 12.)

§ 143-15.1. Current Operations Appropriations Act.

The General Assembly shall enact the Current Operations Appropriations Act by June 15 of odd-numbered years and by June 30 of even-numbered years in which a Current Operations Appropriations Act is enacted. The Current Operations Appropriations Act shall state the amount of General Fund appropriations availability upon which the General Fund budget is based. The statement of availability shall list separately the beginning General Fund credit balance, General Fund revenues, and any other components of the availability amount.

The General Fund operating budget appropriations, including appropriations for local tax sharing, for the second year in a Current Operations Appropriations Act that contains a biennial budget shall not be more than two

percent (2%) greater than the General Fund operating budget appropriations for the first year of the biennial budget. (1991, c. 689, s. 346; 1991 (Reg. Sess., 1992), c. 993, s. 11.)

§ 143-15.2. Use of General Fund credit balance.

The State Controller shall reserve up to one-fourth of any credit balance, as determined on a cash basis, remaining in the General Fund at the end of each fiscal year to the Savings Reserve Account as provided in G.S. 143-15.3, unless that would result in the Savings Reserve Account having funds in excess of five percent (5%) of the amount appropriated the preceding year for the General Fund operating budget, including local government tax-sharing funds; in that case, only funds sufficient to reach the five percent (5%) level shall be reserved. The General Assembly may appropriate that part of the anticipated General Fund credit balance not expected to be reserved to the Savings Reserve Account only for capital improvements or other one-time expenditures. (1991, c. 689, s. 346; 1991 (Reg. Sess., 1992), c. 812, s. 7(a), (c); c. 993, s. 12.)

§ 143-15.3. Savings Reserve Account.

(a) There is established a Savings Reserve Account as a restricted reserve in the General Fund. The State Controller shall reserve to the Savings Reserve Account one-fourth of any unreserved credit balance remaining in the General Fund at the end of each fiscal year until the account contains funds equal to five percent (5%) of the amount appropriated the preceding year for the General Fund operating budget, including local government tax-sharing funds. If the balance in the Savings Reserve Account falls below this level during a fiscal year, the State Controller shall reserve to the Savings Reserve Account for the following fiscal years up to one-

fourth of any unreserved credit balance remaining in the General Fund at the end of each fiscal year until the account again equals five percent (5%) of the amount appropriated the preceding year for the General Fund operating budget, including local government tax-sharing funds. As used in this section, the term "unreserved credit balance" means that part of the credit balance, as determined on a cash basis, not already reserved to the Savings Reserve Account.

(b) The Director may not use funds in the Savings Reserve Account unless the use has been approved by an act of the General Assembly. It is the intent of the General Assembly that in future sessions, as funds are available, it will reduce and then eliminate the State's liability for payroll deferrals for State employees and community college employees and for the deferral of the twelfth month of teacher payroll. These actions will bring the State into closer conformity with the GAAP. (1991, c. 689, s. 346; 1991 (Reg. Sess., 1992), c. 812, s. 7(b), (c); c. 900, s. 11; c. 993, s. 13.)

§ 143-15.4. General Fund operating budget size limited.

(a) **Size Limitation.** Except as otherwise provided in this section, the General Fund operating budget each fiscal year shall not be greater than seven percent (7%) of the projected total State personal income for that fiscal year. For the purpose of this section, the General Fund operating budget includes any appropriations for local tax-sharing, but does not include appropriations for (i) capital expenditures or (ii) one-time expenditures due to natural disasters, federal mandates, or other emergencies.

(b) **Increase in Size Limitation.** To the extent that any percent increase in appropriations for a fiscal year for (i) Medicaid, (ii) operation of prisons, or (iii) the costs of providing health insurance for

teachers and State employees, exceeds the percent increase in State personal income growth for the same period, the limitation on the size of the General Fund operating budget provided in subsection (a) of this section for that fiscal year shall be increased by the dollar amount represented by the excess percentage. For all subsequent fiscal years, the percent limitation contained in subsection (a) shall then be increased to reflect that dollar adjustment.

(c) Fiscal Reports. The Office of State Budget and Management and the Fiscal Research Division of the General Assembly shall each submit a tentative estimate of total State personal income for the upcoming fiscal year to the General Assembly no later than February 1 of each year. The Office and the Fiscal Research Division shall each submit a final projection of total State personal income for the upcoming fiscal year to the General Assembly no later than May 1 of each year. The General Assembly shall use the lower of the two final projections to calculate the limitation on the size of the General Fund operating budget provided in this section. (1991, c. 689, s. 346; 1991 (Reg. Sess., 1992), c. 993, s. 14.)
